

NEW Students Enrolment

Thank you for your enquiry into Crazy Feet Dance Studio. Please find attached the 2012 enrolment information. Please feel free to contact the office during opening hours or email us at crazyfeet3@bigpond.com should you have any questions.

Understanding the Timetable: Crazy Feet has two separate streams in order to cater for the recreational student and the serious dance student. Stream 1 and 2 students have separate classes at all levels and different teaching styles so that all students can reach their goals. Students are welcome to change streams at any time.

Stream 1: For the recreational student who wants to learn for fun, fitness and social benefits

Stream 2: For the more serious dance student who may wish to have a career in the performing arts industry or aim towards further study in VCE or tertiary level. This is our accelerated stream. All Stream 2 students must take ballet classes. Students who wish to take classical ballet are automatically in stream 2.

A student must take all their classes in the same stream (ie either all stream 1 classes or all stream 2 classes). Every class on the timetable indicates which stream it is in. It is also a requirement in both streams that all students who wish to take song & dance class must also be enrolled in a pure dance class as well (ie either jazz, or ballet or funk or hip hop etc).
