Understanding the Timetable

Crazy Feet has two streams that cater to recreational and serious dance students. Stream 1 and 2 students have separate classes at all levels with different teaching. Students are welcome to change streams at any time.

Stream 1: Recreational students who want to learn for fun, fitness and social benefits.

Stream 2: Serious dance students who may wish to have a career in the performing arts industry or aim towards further study in VCE or tertiary level. This is our accelerated stream. All Stream 2 students must attend at least 2 ballet classes per week. Students who wish to take classical ballet are automatically in stream 2.

Stream 1 and 2 classes are indicated on the timetable. It is also recommended in both streams that all students who wish to take song & dance class should also be enrolled in a pure dance class as well (i.e. either jazz, ballet or hip hop etc).
