

VCE Dance consists of 4 Units. There are no pre-requisites for entry; however, it is expected that students undertaking the course will have had some dance experience.

Each Unit requires 50 hours of scheduled classroom tuition.

### Style of Dance

The VCE Dance Style undertaken at Crazy Feet is Contemporary. Students are required to attend the VCE Theory Class and a Contemporary class. Students may use any form of movement when constructing their dances e.g. ballet, tap, jazz (hip hop, funk), modern, contemporary, ethnic.

### VCE dance Requirements

VCE Dance requires a balance of written and performed work. Units 1 and 2 may be taken alone but Units 3 and 4 must be completed as a sequence.

### Content

**Unit 1:** The body as an instrument of expression includes a study of anatomy, technique, composition and performance.

**Unit 2:** Explores expanding the student's dance movement vocabulary, analysis of nominated works, history of dance (Primitive to the Romantic Period), technique, composition and performance.

**Unit 3:** Develops choreographic skills, technique, analysis of solo works, composition and performance

**Unit 4:** Refines choreographic skills, analysis of group works, technique, composition and performance

Unit 3 and 4 scores are 50% for the performance (before 4 Assessors in October) of 2 works choreographed by the student, the technique solo from Unit 3 and the composition solo from Unit 4; 25% for Classwork (SACS) and 25% for a Theory examination (in November taken at the student's home school).

There is homework e.g. the preparation of a solo in each Unit and the maintenance of a Journal/Workbook to record class notes and reference material. There is a VCE text book

"Choreographic Principles" that can be purchased from Crazy Feet for \$30. Reports will be issued at the end of each unit.

### CLASS TIMETABLE

The VCE classes take place on a Thursday afternoon from 4:15 – 5:30pm.

All VCE Students must attend the Thursday VCE Practical Class, which is Contemporary: Saturday 2:00-3:00pm

### Class Requirements

Equipment: Students must come to class with a folder/note book specifically for VCE dance with blank lined paper and pens to document processes and take notes.

### Uniform

VCE Theory Class: Normal dance class uniform i.e. leotard and dance pants. Neatness is essential.

### Appropriate dance footwear

**Contemporary Class:** Student's must wear 3/4 black leggings and a Leotard or singlet with bare feet.

### Practical Dance Requirements

Student's should participate in 8 hours of dance classes per week to maintain the standard required for VCE dance. Student's doing classes at dance schools other than Crazy Feet will be required to keep a log Book & bring it on Thursday to their VCE class.

### Attendance

As students attend VCE class once a week attendance is compulsory.

In cases of minor injury or illness students need to attend class and may be given a suitable task instead of practical work. A medical certificate is required for absences of more than one lesson. It is appreciated that there may be times when a compulsory school function (e.g. camp or excursion) makes attendance impossible.

It is important to advise your VCE dance teacher well in advance.

**Advising Your School:** It is important that each student advises their school if they wish to take VCE Dance when making their subject choices for 2019. Units 1 and 2 are usually taken in Year 10 or Year 11 and Units 3 and 4 in Year 11 or Year 12. It is not recommended that students take Units 3 and 4 without first studying Units 1 and 2.
